- “Browsing Alone, Trusting Each Other: Internet News and Social Trust in the 2013 Canadian GSS.” Mikelsteins, Kaspars, and **Soli Dubash**. Canadian Sociological Association Annual Meeting @ Congress. University of British Columbia, Canada

TRAINING

Graduate Methods Courses

Statistics for Sociologists (A+), Intermediate Data Analysis (A+), Qualitative Methods I (A+), Advanced Data Analysis: Age-Period-Cohort Models (A), Theory and Method in Historical Sociology (A+), Advanced Data Analysis: Dynamic Panel Data Models (A+)

Certifications and Workshops

University of Toronto Teaching Fundamentals Certificate (2022)

Government of Canada security screening: Reliability Status

SciNet High Performance Computing Consortium at the University of Toronto (2024, online): High Performance Python; Relational Databases; Cybersecurity; Intro to SciNet/Niagara/Mist; Linux Shell Scripting; Windows Subsystem for Linux

Compute Ontario Summer School (2023, online): Machine Learning; Safe Sharing for Sensitive Data; Data & Software Management

NETLAB Workshops (Waterloo, 2019): Partially Automating Literature Reviews in Python; Analysing Networks in R

Computer Skills

Research: Stata, R, Python, SQL, SAS, Excel, Qualtrics, Zotero, Jupyter, SSH, regular expressions

Teaching: Microsoft Office, Zoom, Teams, OBS, Canvas/Quercus, Blackboard, Doodle, Top Hat

SERVICE AND AFFILIATIONS

Reviewer for: *Journal of Health and Social Behavior*; *Canadian Review of Sociology*; *Social Science & Medicine*; *Journal of Gerontology: Social Sciences*; *Society & Mental Health*; *Scientific Reports*; *Psychology of Sport & Exercise*; *American Journal of Health Promotion*; *Field Methods*

Service

Graduate Student Editorial Advisory Board, *Canadian Review of Sociology* (2023–2025)
Session organizer, *International Network for Social Network Analysis* (INSNA) (2025)
Canadian Population Society (CPS) awards committee member (2024)
Panel discussant for Orientation, Graduate Department of Sociology, University of Toronto (2020, 2023, 2024)

Affiliations

International Network for Social Network Analysis (INSNA)
