Education

University of Toronto, Department of Sociology: Ph.D. 2019–Ongoing

Thesis Title: *The Dynamic Interplay of Social Networks and Health Across the Life Course*

Supervisor: Bonnie Erickson

Co-supervisor: Markus Schafer (Baylor University)

Committee Members: Blair Wheaton, Andrew Miles

University of Toronto, Department of Sociology: Master of Arts. 2018–2019.

University of Toronto: Honours BA. w/ High Distinction. 2014–2018.

Sociology Specialist; Semiotics & Communications Minor. Dean's List Scholar 2015–2018

Grants, Fellowships, and Distinctions

Daniel G. Hill Prize for Best Graduate Paper in Sociology — Department of Sociology, University of Toronto. 2023. "*The Sociocognitive Origins of Personal Mastery*" (\$5,000)

Ontario Graduate Scholarship at the University of Toronto. 2023–2024. *“The Interplay of Depression Symptoms and Physical Activity”* (\$15,000)

Social Science and Humanities Research Council, Joseph-Armand Bombardier Canada Graduate Scholarship - Doctoral. 2020–2023. *“The Intergenerational Transmission of Mastery Beliefs Between Mother and Child”* (\$105,000)

University of Toronto Departmental and University-wide Grants: Ph.D.

1. Doctoral Completion Award 2023 (\$8460)
2. Departmental Summer Fellowship 2023 (\$1625)
3. Departmental Summer Fellowship 2021 (\$2357)
4. Departmental Research Stimulus Grant (\$1000)
5. Departmental Research Grant 2020 (\$3500)
6. Departmental Summer Fellowship 2020 (\$2028)
7. Sociology Admission Merit Award 2019 (\$5000)
8. Vice-Dean Graduate Initiative Award 2019 (\$1000)
9. FAS Graduate Entrance Award 2019 (\$2900)

Canadian Sociological Association (CSA) Outstanding Graduate Award — University of Toronto, Master’s 2020

Social Science and Humanities Research Council, Canadian Graduate Scholarship - Masters. 2019. *“Resilience, Mental Frames, and the Intergenerational Transmission of Emotional Inequality”* — Supervised by Distinguished Professor Blair Wheaton (\$17,500)

University of Toronto Departmental and University-wide Grants: MA. 2018–2019

1. Sociology Admission Merit Award (\$1500)
2. Raymond Breton Graduate Scholarship (\$1500)
3. Departmental Research Grant (\$925)
4. Departmental Travel Grant (\$1100)
5. SGS Conference Travel Grant (\$470)

University of Toronto: Honours BA. w/ High Distinction 2014–2018

1. Reuben Wells Leonard Scholarship (\$500)
2. Chachra Family Scholarship (\$1500)
3. MacLachlan Sisters Memorial Scholarship (\$1650)
4. University College Alumni Scholarship (\$500)
5. Gordon Southam Scholarship (\$2250)
6. Savlov Louis (UC'37) Scholarship (\$200)
7. Robert Brym & Rhonda Lenton Scholarship (\$426)

Manuscripts for Circulation

Dubash, Soli. "Diagnosis with Non-communicable Illnesses, Social Costs, and Psychological Distress for Older Adults".

Research Experience

Professor Monica Boyd in the Department of Sociology at the University of Toronto
Research Assistant 2023–Ongoing

“Understanding Black-White Differences in Occupational Segregation in Canada”

- SSHRC funded project at Toronto Statistics Canada RDC
- Using complete Canadian Longform Census, all available years

Professor Blair Wheaton in the Department of Sociology at the University of Toronto
Research Assistant 2019–2023

“The Toronto Family Study: 25 Years Later”

- SSHRC funded follow-up examining intergenerational transmission of gender egalitarian attitudes
- Technical project management, including support for interviewers and distributing respondent honorariums
- Translated complex interview schedule into CAPI Qualtrics survey
- Developed Python script to convert Word document to digital Qualtrics survey
- Reviewed relevant literature as to provide original sources for a range of measures
- Website consulting and development, see <https://tfsplus25.artsci.utoronto.ca/>

Professor Monica Boyd in the Department of Sociology at the University of Toronto
Research Assistant 2021–2023

“Language Context and Language Use of Children of Immigrants”

- SSHRC funded project at Toronto Statistics Canada RDC
- Development of linked-record family file in Restricted 2016 Canadian Census
- Statistics Canada RDC security reliability clearance
- Statistical analysis for grant report

Professor Zach Richer in the Department of Sociology at the University of Toronto
Research Assistant Fall 2022–2023

“Group Deliberation and Attitude Change”

- Data carpentry
- Statistical analysis and visualization for pre-post attitude change survey
- Writing methods and results sections for co-authored journal article

Professor Lisa Kaida in the Department of Sociology at McMaster University
Research Assistant Fall 2021

- Website consulting and development, see <https://lisakaida.com/>

Professor Lorne Tepperman in the Department of Sociology at the University of Toronto
Research Assistant 2021 Spring

“Why We Buy — Measurement Validation”

- Survey instrument design consultation, development, and execution
- Encrypting and handling confidential student data
- Scale development and validation (15 scales for book project)

Professor Rachel La Touche in the Department of Sociology at the University of Toronto
Research Assistant 2020 Summer

“Survey of Student Experience – St. George”

- Developed CAPI Qualtrics survey

Professor Monica Boyd in the Department of Sociology at the University of Toronto
Research Assistant 2020–2021

- Website development and consulting
- See <https://boydmon.artsci.utoronto.ca/>
- See <https://occupationalegregation.artsci.utoronto.ca/>
- Designing graphic elements for digital and online media that reflect departmental and/or research objectives.

Professor Ann Mullen in the Department of Sociology at the University of Toronto
Scarborough

Lead Research Assistant & Research Coordinator 2018–2019. “*UTSC Student Experience Survey*”

- Coordinated 30 university courses to deliver a digital Qualtrics survey to 3500 students.
- Developed digital Qualtrics survey

- Administered focus groups to test questions for new module on cultural tastes
- Developed materials and survey policy to remove duplicates and award bonus credit
- Developed codebook and documented research manual for transparency and reproducibility
- Encrypted and handled sensitive data

Professor Dan Silver in the Department of Sociology at the University of Toronto
Scarborough

Research Assistant 2019. Conjoint Neighbourhood Analysis Experiment for the *Urban Genome 'Community Voices' Project*

- Following Hainmueller et al. (2013), I generated a conjoint experiment for causal inference using survey data on Qualtrics
- Integrated PHP web request into Qualtrics to deliver fully randomized conjoint experiment for survey fielded in the Greater Toronto Area
- Find project results here: <https://community-voices.report>

Professor Alexandra Marin in the Department of Sociology at the University of Toronto
Research Assistant Fall 2018–Summer 2019 *Theorizing Dormancy*

- Trained by Chang Lin to administer a computer assisted survey while minimizing bias
- Interviewed respondents in their homes

Professor Alexandra Marin in the Department of Sociology at the University of Toronto
Research Assistant 2018–2019 *Social Connections Project*

- Worked closely with Professor Marin's team to develop and field a digital survey using Qualtrics with respondents from Amazon Mechanical Turk
- Developed and tested JavaScript and Python code to accomplish custom requests in Qualtrics
- Cleaned Qualtrics data with Excel, Python, and Stata

Journal Peer Reviewer

Canadian Review of Sociology
Social Science and Medicine
Journal of Gerontology: Social Sciences
Society and Mental Health

Teaching Experience

Course Instructor

University of Toronto Mississauga, Department of Sociology
SOC318H5F: Sociology of Mental Health and Mental Disorders 2023 Fall Term

Teaching Assistant

Duties include teaching tutorials; grading; developing tutorial materials; developing test questions and test prep materials; revising materials to improve resilience against LLM assisted writing; lecture development; test and exam invigilation; live streaming; holding office hours; course set-up on Quercus (née Blackboard); preparing and submitting final grades to the Faculty of Arts & Sciences.

Workshops and Training

SciNet Supercomputer Centre at the University of Toronto (Online Workshops)

1. HPC111 High Performance Python
2. SCMP201 Linux Shell Scripting
3. SCMP291 Microsoft Windows Subsystem for Linux
4. SCMP231 Relational Database Basics
5. SCMP183 Enable your research with Cybersecurity!
6. HPC105 Intro to SciNet, Niagara and Mist

2023 Computer Ontario Summer School (Online Workshops)

1. Machine Learning
2. Safe Sharing for Sensitive Data
3. Data and Software Management: Good Practices to Support Long-term Access to Data and Code

University of Toronto Teaching Assistants' Training Program

Teaching Fundamentals Certificate, Spring 2022

NETLAB Workshops

Hosted by Professor John McLevey at The Department of Knowledge Integration in the University of Waterloo, Spring 2019.

- Partially Automating Literature Reviews using Python (2 Days)
- Analysing Networks using R (2 Days)

Learning to Lead, Student and Campus Community Development, 2016

BLUExperience Leadership Retreat, 2016

Software Proficiencies

I extensively comment my code and support Open Science principles for transparency and replicability.

Statistical analysis provided in: Stata, SAS

Survey design and execution: Qualtrics

Programming and text/data manipulation: Python, Pandas, Jupyter, Regular Expressions.

The usual suspects: Excel, Word, PowerPoint, Notepad++, Google Drive, Dropbox, Github

I also have some experience with R, Linux, pSQL, Bash, Java, PHP, HTML, Perl, LaTeX, and SPSS.

Academic Associations, Non-academic Affiliations, and Service

[Canadian Review of Sociology/ Revue Canadienne de Sociologie Graduate Student Advisory Board Member](#)

[Morality, Action, and Cognition \(MAC\)](#) Lab run by Professor Andrew Miles in the Department of Sociology at the University of Toronto

American Sociological Association – Student Member

Canadian Population Society – Student Member

2024 CPS awards committee member

Canadian Sociological Association – Student Member

International Network for Social Network Analysis – Student Member

Queen City Yacht Club Toronto (QCYC) – Associate member

Rock On Climbing – Bouldering Gym Member

Working as a Research Assistant – Panel Discussant 2023 UTSG Grad Student Orientation Week

Working as a Research Assistant – Panel Discussant 2020 UTSG Grad Student Orientation Week

Academic and Administrative Experience

The Toronto School: Then, Now, Next

International Conference Student Co-facilitator October 14–16, 2016

- Managed IT and personnel systems to co-facilitate 10 simultaneous panels and speakers for three days with over 600 attendees

The Student's Association of Semiotics (SAS) – Student Group in The University of Toronto
President 2015–2016

UMatter Student Mental Health Awareness — University of Toronto
Creative Director for 2016 photo-campaign with CAMH

Relevant Work Experience

Peer Study Team Leader SOC100 & SOC150, University of Toronto Faculty of Arts & Science. 2017–2018

I co-facilitated peer study sessions for groups of 2 to 15 first year Sociology Students in the last year of my BA. I developed exercises to promote study skills and group learning. I engaged students with active learning strategies while nurturing a safe space for passion and skills to develop.

Undergraduate Research Experience

Marcel Danesi in the Department of Anthropology at the University of Toronto. 2018.
Independent research for undergraduate thesis.

“Emoji, the Mind, and Society: Exploring the Semiotics of Emoji on a Representative Sample of Tinder Profiles in the City of Toronto.”

- Independently applied semiotic and social theory on cognition and meaning making using mixed methods to collect, produce, and analyse a representative data set collected from a (postal code) stratified random sample of male and female Tinder users in Toronto (N=1000). Analysis with SAS 9.4 found significant differences in gendered uses of emoji on Tinder

Research Institute of Forensic Semiotics - University of Toronto
Research Assistant 2015–2016

Marcel Danesi in the Department of Anthropology at the University of Toronto. 2016.
The Semiotics of Emoji: The Rise of Visual Language in the Age of the Internet. London; New York: Bloomsbury Academic. Research Assistant 2015–2016
